We are manufacturer and wholesalers of solid wood furniture and accessories, founded in 1999. Our own manufacturing allows us to work on each aspect of product design as well as control the quality and pricing.

The unique design and finish of our products and their charming style creates a cozy atmosphere ensuring a perfect combination of originality, price and quality.

Today "Home Accents" has an eclectic range of hand crafted furniture and accessories. Each piece of our solid wood furniture is an heirloom to pass on to generations.

Our Woods - We use solid wood like Mango, Acacia, Sheesham, Elm and Pine wood to make our products. Knots, hairline cracks, grain variation and colour variation are natural attributes of solid wood. These are inherent characteristics of timber and not a result of workmanship.

Care Instructions - Clean furniture with a dry cotton cloth and avoid direct sunlight.

Shipping Terms and Conditions - We take every precaution, so you receive your products in a good condition but in an unlikely event of damage we are there to take care. Please comply with following steps to allow us to take care of it in a timely manner.

- * Please note any shortage/overage and visible damage on BOL.
- * Any damage should be reported to "HOME ACCENTS" within 48 hours of delivery.
- * Please e-mail us pictures of damaged products at sales@homeaccentsllc.com so we can determine the nature of damage and take care of it accordingly.
